OTHER ANNOUNCEMENTS

The INEQE Safeguarding Group has been commissioned to conduct an independent review of PCI's governance and safeguarding arrangements. Please lift an information leaflet or scan the QR code on the poster in the vestibule to participate in the survey. All contributions will be treated confidentially. Surveys will close on 21st September.

A threat to gospel freedom

The Christian Institute is holding meetings to address a key issue facing Christians in Northern Ireland today. An MLA has introduced a Private Member's Bill at Stormont to outlaw 'conversion therapy'. The Bill will become law in months unless it is stopped. Please come to one of our special meetings for more information about the Bill and its likely impact on churches. We will outline what you can do to oppose it, including responding to the public consultation.
